**Subject:** Re: Just got your voicemail

Let's see how the group meeting goes tomorrow at 11am. If Bill and I still have concerns or questions afterwards then we can call you after the meeting or later in the week.

Sounds good. It looks like we're on for all three of us to talk tomorrow at 11AM. Do you want to talk beforehand? I'm happy to do that if you like.

Hi Malenna, I just got your voicemail and also talked with Emi. I know you're on the phone with her now. It looks like she's going to arrange a call among the three of us, but I'll give you a call later to touch base anyway.
